TFC HUB Program Mission

The mission of the HUB program is to provide assistance to historically underutilized businesses (HUBs) through outreach efforts, such as education and training in doing business with the State of Texas, in order to afford these businesses a fair opportunity to participate in the competitive procurement process. The Texas Facilities Commission (TFC) is dedicated to promoting opportunities for these small and historically disadvantaged businesses to compete for the agency's purchases and contracts. TFC's policy is to foster an environment that will advance and enhance participation from such vendors in all areas of the agency.
