1. # 7945 – Health and Human Services Commission/Department of Family and Protective Services/Texas Tech University Health Science Center: Andrews, TX.
2. # 9149- Office of the Attorney General: Austin, TX.

New Leases

4. # 303-9-11609 – Texas Department of Criminal Justice: Forth Worth, TX.

Leases and/or Amendments Pending Execution with Commencement Date before September 16, 2009.

Renewals

1. # 8562 – Health and Human Services Commission/Department of Family and Protective Services/Department of Assistive and Rehabilitative Services/Department of Aging and Disability Services/Department of State Health Services: Big Spring, TX.

The Commission unanimously voted to approve the above leases and/or amendments with the motion to approve made by Commissioner Stuart and a second to approve the motion made by Commissioner Beckendorff.

VI. Consideration and possible action to enter into a long term ground lease with Austin Riverside NEC, Ltd. for approximately 90,000 SF, located at 150 East Riverside Drive in Austin, Travis County Texas, for the purposes of constructing a new State office building. This item was pulled from the agenda.

VII. Consideration and possible action to approve an architectural and engineering (A/E) design services contract award for the Texas School for the Blind and Visually Impaired Campus Renovations Stage III, Project No. 08-013D-0771, Austin, Texas. At the Chair's request, Tom Forrest and Bill Bonham provided the Commission an update on the new Indefinite Delivery Indefinite Quantity (IDIQ) contracts and how staff would like to use them for future projects. Because the proposal is different than what the Commission has approved in the past, the Commission determined that a policy was necessary to define for staff how IDIQs should be awarded and used in the future and asked Commissioners Stuart and Beckendorff to work with staff on such policy to present to the full Commission at a future meeting. Thereafter, the Commission voted to approve the award of an amendment to the existing architectural and engineering design services contract with Graeber Simmons & Cowen, Inc. (GSC) in the amount of $906,886 for the Texas School for the Blind & Visually Impaired Campus Renovations Stage III, Project No. 08-013D-0771, Austin, Texas, under the proprietary purchase guidelines in lieu of awarding the project under an IDIQ with GSC, with a motion to approve made by Commissioner Beckendorff and a second to approve the motion made by Commissioner Stuart.

VIII. Report from the Executive Director and executive staff on facilities design and construction projects, facilities leasing, facilities operations and maintenance, energy management, and legislative update. Monthly updates
were provided to the Commission as handouts distributed as part of the notebook materials.

IX. Quarterly report Deputy Executive Director of Administration on staffing trends and administration activities. Due to the absence of Deputy Executive Director of Administration Stephen Thomas, Chief Information Officer Michael Phillips updated the Commission on staffing trends and administration activities. Mr. Phillips noted that overall attrition has declined significantly in the last four fiscal years demonstrating stabilization in the workforce. Mr. Phillips noted that worker’s compensation claim expenses were down and that Risk Management continues to develop and implement programs to provide a safe and efficient workplace. The Procurement Division continues to provide outstanding customer service utilizing cost-effective and innovative methods to procure goods and services and promote opportunity to historically underutilized businesses. Records Management and Support Services continue to develop, implement, and evaluate a comprehensive records management process to ensure statutory compliance storing records and processing incoming and outgoing mail, consumable supplies, and copying and printing. Information Technology continues to utilize innovations in information technologies to provide the Commission with more efficient and cost effective systems.

X. Report from the Chief Financial Officer on the monthly financial report update. Luis Arellano provided the monthly financial report including the agency forecast, monthly operating expenditures, year-to-date budgeted adjustments, cost recovery program results, revenue forecast, and a list of financial transactions that are not included in the operating budget with no major changes. Three budget adjustments were made last month due to increases in revenue to the cost recovery areas. All cost recovery programs are where they need to be or better with the exception of the recycling program. The revenue forecast continues to be on target. Mr. Arellano also informed the Commission that the TFC currently has 326.5 FTE's (Full Time Employees) as of the end of August.

XI. Monthly Status Report from Internal Auditor, Mark Scott. 
A. Review of Contract Administration Processes for Construction-Related Contracts. Mark Scott updated the Commission on the most recent Audit with regards to the Contract Administration Process for Construction-Related Contracts determining TFC has the proper processes in place to thoroughly monitor and otherwise perform post-award administrative activities.
