JOB SUMMARY:

Performs electrical work in maintenance, repair, and installation on or within all properties and equipment managed by the Texas Facilities Commission (TFC). Provides inspections and coordinates with other trades on remodeling and maintenance projects. Completes timekeeping and other advanced paperwork. Works under limited supervision with considerable latitude for the use of initiative and independent judgement.

ESSENTIAL FUNCTIONS:

- Installs and repairs electrical systems, apparatus, and electrical components of machinery and equipment in accordance with the National Electrical Code (NEC).
- Installs, maintain and repair electrical controls, electrical equipment, lighting, and power circuits using test instruments.
- Isolates defects in wiring, circuit breakers, fuses, switches, and other elements and replaces faulty switches, circuit breakers, fuses, and other elements of electrical systems.
- Possesses familiarity with Medium Voltage, the work requires knowledge of electrical principles, procedures, materials, and safety standards governing electrical systems above 1000 volts
- Make decisions based on technical documents.
- Performs electrical work in all phases of the electrical trade using meters and tools of the trade
- Completes timekeeping and other advanced paperwork.
- Required to work on and around live electrical circuits up to 15kV in accordance with the TFC electrical safety policy.
- Required to work outside of normal business hours as necessary.
- Operates a state motor vehicle in order to perform essential functions.
- Performs other job duties as assigned

MINIMUM QUALIFICATIONS:

- Associates degree or vocational training certification in the electrical trade.
- Four (4) years of experience in the electrical trade.
- Additional experience may be substituted for education on a year-for-year basis.
- Valid State of Texas Class "C" driver's license.
- Valid TDLR Journeyman Electrician License.

KNOWLEDGE, SKILLS & ABILITIES:

Texas Facilities Commission Employment Opportunities

- Skill in the use of NEC (National Electrical Code), NFPA 70 E and NFPA 70 B
- Considerable knowledge of the principles and theory of electricity.
- Considerable knowledge and proficiency in the tools and terms of the electrical trade.
- Working knowledge of the hazards and safety precautions involved with commercial or industrial maintenance trades and the proper application of personal protective equipment.
- Knowledge and skill to complete and route daily paperwork.
- Skill in the use of various brands and types of electrical instruments that measure voltage, amperage, resistance, insulation resistance and trace circuits. Skill in the use of trade tools including pipe benders.
- Ability to safely operate hand and power tools.
- Ability to troubleshoot electrical systems, identify problems with components and make repairs.
- Ability to use cellular phone communications.
- Ability to use computer.
- Ability to maintain effective working relationships with peers, agency personnel, tenants, and the general public.
- Ability to communicate effectively, both orally and in writing.

Physical Requirements and/or Working Conditions:

This position requires the ability to stoop, bend, lift, and stand for prolonged periods of time. Must be able to move 55 lbs. and, occasionally, 100 lbs. of products and materials. Must be able to work outdoors and in various weather conditions. Must be able to navigate uneven terrain and at various heights using ladders and lifts.

Veterans: Use your military skills to qualify for this position and others at TFC. Go to www.texas skillstowork.com to translate your military experience, training, and formal education into civilian job terms, qualifications, and skill sets.

Veterans, Reservist or Guardsmen with an MOS or additional duties that fall in the fields of 12Q Powerline Distribution, AE Aviation Electrician's Mate, AET Avionics Electrical Technician, 1141 Electrician, 3E0X1 Electrical Systems, or other related fields pertaining to the minimum experience requirements may meet the minimum qualifications for this position and are highly encouraged to apply. Please call Human Resources at (512) 463-1717 with questions or for additional information.

Additional Military Crosswalk information can be accessed at
http://www.hr.sao.texas.gov/Compensation/MilitaryCrosswalk/MOSC_Maintenance.pdf

Incomplete applications will not be considered.

Conditions of Employment:

Initial screening is based on the Education and Experience minimum qualifications defined in the job posting. Interviewee selection is based on applicant information explaining how they meet each Competency (Knowledge, Skills and Abilities) requirement. Follow application instructions and fill out application form completely for further consideration.

If selected for interview, all veterans must provide a DD214 long form. Official transcripts or other minimum requirement validations will be requested at the time of interview.

As part of its employment process, TFC may procure or have prepared a criminal background check. An applicant with an unsatisfactory criminal background check report is ineligible to be hired for the position for which the report is initiated.
